JR. CURLING

It is hard to believe that this year's curling season has come to an end. This year, we had a Jr. Boys team (Tucker, Trey, and Reid) and a Girls team (Jenaya, Brooklyn, Hadley, Esmae, and Emerson).

The Jr. Curling teams traveled to Frontier for practice games, where the girls won their game and the boys came up short.

On February 7–8, we traveled to Leader and competed in Sectionals. Both teams curled well on the first day and advanced to day two, where they came up short in their games. The boys placed 3rd in their section, and the girls placed 5th. They represented Consul School well, and we were proud of their sportsmanship and respect for those around them while traveling.

Thanks for a great season—we will see you on the ice next year!

Coaches- Shauna Jones & Shay Pridmore

SR. CURLING

This year, the Sr. Curling team consisted of Sierra, Jane, Reese, and Shiloh. The girls played in the Consul league and played Frontier for a couple practice games.

Consul competed at Districts on February 7–8 in Swift Current. The girls won their game on Friday, advancing to play on Saturday. They curled well but came up short in their bid to advance to Regionals. The girls showed good sportsmanship and represented our school well. This team was a pleasure to take on the road, and we are proud of them!

Coach- Heidi Beierbach

101 DAY CELEBRATIONS

FEBRUARY 13TH

It was a busy February in the K/1/2 class! We celebrated 101 Day on February 13, spending the day engaged in activities centered around 101 things, Dalmatians, and dots.

VALENTINE'S DAY

This year, we have a flower dramatic play center in our classroom inspired by Kelli Dee Floral Shop in Maple Creek.

On Valentine's Day, Nola Sanderson, the owner of the shop, generously sent carnations, greenery, and ribbon so our students could construct small bouquets for all the staff, students, and bus drivers of Consul School.

Small Problem

Will this even matter in an hour?
Can I move on with my day?
Can I ignore it?

Medium Problem

Do I need to talk to someone about this?
Will I be unable to move on if this isn't resolved?

Big Problem

Is someone in danger?
Have I tried multiple times to resolve this?
Do I need to get an adult involved?

How big is this problem? Can I handle this on my own? Do I need to resolve it with someone? Do I need help from an adult?
