

Kindergarten Supply List 2025/26

Scissors-

Glue - 3 **LARGE** glue sticks

5 Pencils

1 **White Eraser**

1 **pair of gym shoes** - these stay at the school and are only worn inside. If your child can't tie their own shoes, please send no tie.

1 **Backpack** - Be sure they can manage opening and closing it themselves.

1 **Pencil Box** - large enough to hold scissors, 1 glue stick, markers, and pencil

1 **large box of Kleenex**

1 **small flashlight**

1 **box of wax crayons**

1 **box of LARGE ziploc bags**

A package of plastic juice cups (Pack of 30-50)

1 **Box of Wax Crayons**- A small pack, we really need only the primary and secondary colors.

1 **set pipsqueak washable markers**- Sometimes if you look at the Dollar store by Canadian Tire in Medicine Hat they have these in packages of 6 with the primary colors and a few others. That's all they really need if you do this get 2 packages). If you get the bigger packages they only need 1 set. **STICK** with the **PIPSQUEAKS** they really help with fine motor skills.

1 **Water Bottle**- preferably one that doesn't require them to twist off and one that doesn't spill easily

Snack - Please send them their own snack in their lunch kits each day. This removes worries about food allergies, they get a snack they are sure to like and that you want them to have.

I will purchase - There will be a charge for notebooks, day planner, take home folder and duo tangs in the fall. The notebook is for drawing pictures and writing for a journal. I'll let you know the cost in September.

Print your child's name, brand or initials on **EVERYTHING** they bring to school. It is so much easier to return found items to their owner if names are on them. (DON'T worry about sharpening everything I have and electric sharpener)

Please try to send everything the first couple days of school. It's easier to keep it here at school in a bag for each child so they have access to the extra materials as they need them.

I look forward to seeing you in the fall. Have a great summer!
